PROPERTY OWNER FORM

Dear Property Owner,

GreeneWireless provides high speed internet services throughout areas of Greene County, Ohio. We are a locally owned and operated business in downtown Xenia, Ohio. We have been contacted by the person named below who rents the property at the address, also provided below.

This form serves as our notification that the tenant renting this property wishes to acquire our internet services. In order to obtain services. For GreeneWireless to do this, it requires equipment to be installed and secured to the outside of this location and a hole to be drilled into the foundation or walls of the property for a cable to be ran to the inside.

We require property owners to sign this form to either approve or deny the installation of our equipment for internet services. If you have any questions, please do not hesitate to let us know.
